ONLYPREPY · YOUR NEXT SEVEN DAYS

Algebra 1 EOC revision planner

Confirmed school exam date: _____
My priority skill: _____

Day	Focus	Action	Done
1	Diagnostic and priorities	Attempt a fresh form. Record repeated errors and the weakest category.	___
2	Expressions, functions and data	Review powers, radicals, function features, statistics and relevant denominators.	___
3	Linear relationships	Practise equations, inequalities, slope, systems and scatter models.	___
4	Nonlinear relationships	Work on polynomials, factoring, quadratics, absolute value, exponentials and finance.	___
5	Targeted repair	Correct your recurring errors, solve fresh variants and revisit earlier skills.	___
6	Mixed rehearsal	Attempt a fresh complete form. Review missed benchmarks and response-entry errors.	___
7	Light recall and logistics	Use the short final sheet, confirm school arrangements and protect sleep.	___

My three error checks

1. _____
2. _____
3. _____

Daily cycle: recall → independent questions → explanation of the first error → a fresh follow-up. Practice accuracy is local feedback, not an official scale-score prediction.
